

C&M Aquatic Centre

UPDATE TO CENTRE OPENING

To our valued customers, hope you have been keeping well and safe during the current restrictions.

Following the Covid19 restrictions and closures we will be re-opening the Centre for lessons from Term 3, Monday 20th July 2020 unless circumstances change.

Whilst the Centre has been closed we have been busy preparing for our opening. The Centre has been refreshed with a new coat of paint and other surprises.

The Centre will be opening with restrictions (restrictions will be changing constantly as updated by the Government). Some of the restrictions that we will be enforcing are:

- Social Distancing
- Hand Sanitising on entry
- Contactless Check-in
- One adult entry per family to minimise numbers
- Children & parents/caregivers if unwell please stay home and stay safe
- Change rooms unavailable (to be reassessed closer to opening)
- No borrowing of swimming equipment i.e. cap, goggles, flippers.

Please keep in mind that the structure of our classes may change due to what restrictions have been set.

Keep an eye on our social media pages (Instagram and Facebook) for updates.

The introduction of our online Customer Portal will be implemented for the start of Term 3. Those customers with a current booking will receive an email shortly for the signup process.

Thank you for your patience, as we are still currently closed. As of the 1st of July, staff will then be available to answer your questions via email. By this time, we will have a clearer understanding of the Covid-19 guidelines for private indoor swim schools and the structure of our classes.

Looking forward to seeing all your happy faces.
