# Swimming Carnival Achievements

## Celebrating our Swimmers!

Our squad team has proudly attended a number of recent school swimming carnivals to support and cheer on our swimmers. It has been wonderful to see so many of them achieve fantastic results.

C&M Aquatic Centre is extremely proud of our swimmers and their tremendous achievements. Their dedication, commitment, and hard work in training are clearly shining through in competition, and we love seeing their confidence grow both in and out of the pool. Well done to all of our swimmers who represented their schools. Your efforts are something to be truly proud of!

Congratulations to all our students who took part in their school swimming carnivals! We'd love to celebrate your participation and achievements by displaying a photo on our notice board. If you'd like to share a photo of your child at their carnival or highlight their accomplishments, please email us at [contact@cmaquaticcentre.com.au](mailto:contact@cmaquaticcentre.com.au).

# BEHIND THE SCENES

C&M Aquatic Centre was proud to partner with Royal Life Saving NSW on Project Elevate, part of the NSW Government's Learn-to-Swim initiative. Over six days, Year 7 students at Sir Joseph Banks High School had the chance to participate in dry land sessions, pool sessions, and CPR training. Many students gained vital swimming and water safety skills for the first time. We encourage the government and families to continue supporting opportunities like this, ensuring all children can learn to swim. Swimming is their most important sport in a country surrounded by water.

# SWIMMERS OF THE TERM

## *Congratulations to our Swimmers of the Term*

Your dedication and consistent attendance during swimming lessons have truly impressed us. We're incredibly proud of your hard work!

*Please see our reception staff for your award.*
