Swimming in different water environments can **SHOCK** the best of swimmers!

Our lesson plans enhance water safety awareness, build confidence & better prepare our students for challenges they may face in and around any water environment.

What you need for your lesson

- Swimming Cap
- Light summer clothing or pyjamas (to wear over your swimwear)
- Bag for wet clothing
- Squad equipment (if in squads)

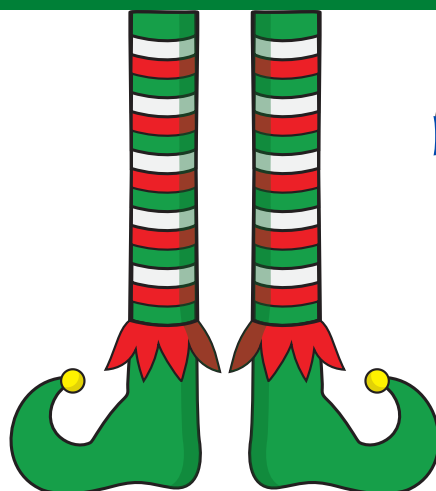

Is your child starting Kindergarten in 2027?

If your child is starting Kindergarten in 2027 and currently attends morning classes, please inform Reception.

We'll prioritise afternoon spots where possible, though availability is limited during peak season.

If you'd like to switch to an afternoon class now, check with Reception for available spots. This will secure your place for January, 2027
